Vikings Travel To East Jordan Friday Night

Vikings Tumble To Second Place In Loop As Boyne Dumps Them, 76-49

Viking Reserves Meet First Loss of Season

The Grayling High Vikings were to meet the Kalkaska Blue Blazers here in the new gym this Tuesday night and then are slated to travel to East Jordan to resume conference play in the first game of the second half of the season on Friday.

Grayling tumbled to a second place tie with Charlevoix as the Viking team were blasted by the Boyne City Ramblers Friday night 76 to 49 and the Mancelona Ironmen upset Charlevoix 56 to 54 in an overtime. In other action in the conference Friday night, East Jordan trounced Pellston 68 to 38 and the Gaylord Blue Devils defeated the Harbor Springs Rams 70 to 61. With the close of action last Friday, the first half of the season of loop play was completed with every team in the conference having faced every other quintet. The week's action left Boyne City at the top of the heap with a 6 won, 1 loss record. Grayling and Charlevoix are tied for second spot with identical records of 5 won, 2 loss; Pellston, East Jordan and Mancelona are in a three-way tie for third place with 3 won, 4 loss standings. Gaylord is all alone in fourth with a 2 won, 5 loss status with the Harbor Rams in the basement with a 1 won, 6 loss record.

The Vikings were snowed under in the first period Friday night to trail 19 to 9 at the end of the first period of play. Each team hit for 20 points in the second quarter to leave the halftime advantage of 39 to 29 with the Ramblers. The Boyne team outscored Grayling 18 to 9 and 19 to 11 in the final two periods of play respectively.

Captain Dave Lowe led the Vikings with 17 points on 7 field goals and 3 foul shots. Bill Kington added 10, Bob Strong and Gary Warden 8 each and Lloyd Failing 6. Bob Fitzpatrick with 10 field goals for 20 points led the Ramblers with Murray Northrup adding 18 and his twin, Neil 16. The Ramblers scored their 76

points on 31 field goals and 12 out of 25 free throws. Grayling hit for 20 field goals and managed to make 9 out of 18 foul shots. The Boyne Ramblers are a big, strong team and as usual run over their opposition rather than around it. The officiating of the game left rather a great deal to be desired, Grayling fans thought.

The little Vikings after running up a record of 7 straight wins this season met their "Waterloo" at the hands of the little Ramblers Friday night by a 57 to 42 count. Grayling took a 17 to 10 first period lead but trailed 26 to 24 at halftime as they folded in the second quarter of play. The Ramblers reserves scored 15 and 16 points in the final two periods while holding the little Vikings to 7 and 11 respectively.

Joe Lowe with 15 paced the Grayling squad with Don Roberts adding 11, Newt Allison 8, Oscar Horning 6 and Russell Mudge 2. R. Christensen with 15 and R. Casper with 12 led the little Ramblers.

Johanna Gorman Receives Recognition

In tribute to her 35 years as a Registered Nurse and particularly her service as County Nurse and in appreciation for her work in the first eight years, Johanna Gorman was guest of honor at a Monday evening dinner. The Grayling Kiwanis Club, as a part of their program of service to the community, co-operated with the local chapter of the National

Foundation for Infantile Paralysis to honor Mrs. Gorman at a well attended dinner meeting at Werts' Lone Pine Inn.

The program, witnessed by over 50 persons from Grayling and Roscommon, saw a humble person receive unexpected expressions of appreciation from those she has served since 1921. Mrs. Hugel of Health Department was introduced to the gathering by Dr. Ralph Hoffman, chairman of the 1956 March of Dimes in Crawford County. Mr. Leonard, who spoke of his long association with Mrs. Gorman, credited her work in the training of the nursing community she serves. He pointed out the experience over many years which has found "Jo," as he warmly calls her, working through all types of epidemics and finally seeing them defeated one by one. In making the presentation in behalf of the National Foundation for Infantile Paralysis and in behalf of the local citizenry she serves, Mr. Leonard cited the 14 years service with the Public Health Dept. and prior to that the 8 years with the county school system as school nurse that had given her the opportunity to do so much for so many. In addition to the Service Certificate and Medal, Mrs. Gorman was presented with a corsage by the local March of Dimes in appreciation for her planning and execution of the mass inoculation last summer and the one to have been staged this week to protect our children against Polio.

Dr. Hoffman in commenting on the warm kindness of the honored guest, remarked that he found it a pleasure to also present her with a portfolio of letters, telegrams, and cards received by the committee from the nation who wished to honor Mrs. Gorman, but who could not be present. These messages came from all over, Grayling to Japan, and represented many types from students to Congressmen, all in glowing tribute to Johanna Gorman.

Kiwanis President Willard Cornell presided over the meeting. Prior to the program, the Kiwanis was named to head a kitchen committee and William Hines, a dining room committee for the Kiwanis Polio Dinner which will be served all day today at Werts' Lone Pine Inn.

Arthur J. Goodrich was introduced into the club as the newest Kiwanis member of the Grayling Club. Phillip Smith, chairman of the club's Kiwanis Education committee acted as inducing officer.

Frederic Eagles Stop Vanderbilt Five, 60-49

The Frederic High Eagles defeated a Vanderbilt five Friday night at Frederic by a 60 to 49 score. Every member of the Eagles' squad got into the fray.

The Eagles took a 20 to 14 lead in the first period. In the second quarter, the Vanderbilt team outscored the Eagles in the third period 17 to 15, but the big birds came back to rack up 9 to the visitor's 7 in the final. Bruce Welch and Larry Baynham with 14 each led Frederic with Bob Pratt adding 13, Wayne Winters 11, John Mertes 6 and Alfie Hummel 2. In all 11 boys saw action. R. Lashaw with 18 was tops for Vanderbilt.

Frederic also took the preliminary game, a junior high contest, by a 32 to 11 count. Frederic led at halftime 14 to 5. Jack Smith and Bill Johnson with 7 each led the Frederic team. Paul Rolfe adding 6, Ron Mertes 4 and Fred Allen and Jerry Gabriel 2 each. L. Lashaw with 4 was high for Vanderbilt.

This Friday the Eagles entertain the Rapid City five at Frederic. A girls' team game will furnish the preliminary action.

Northern School Chiefs Meet Here Today

The Northern Michigan School Superintendents group will meet here today (Thursday) for a luncheon and discussion. The group will gather at the Michelson Memorial Church for their luncheon and discussion.

Best of the group are the 1st and 2nd Air Bns, Camp Grayling, Camp Haven, Wis., and Fort Leonard Wood. These units will return Aug. 10th.

More than 1,000 men and women of various units will train at the Alpena base from Aug. 18th to

New Owners For Grayling Bank

John Hume, Detroit, Elected President

A new president, executive vice president and three new directors were elected at the annual meeting of the stockholders of the Grayling State Savings bank last Tuesday.

Directors, after electing officers, voted a 100 percent stock dividend by increasing capital stock of the bank from \$50,000 to \$100,000.

The directors at the same time voted to reduce the price of the bank's stock from \$100 to \$20. Elected as the new president of the bank and as a new member of the board of directors was John Hume, 49, a Detroit investment banker who will assume his duties here, February 1st.

Hume replaced Walter J. Truettner, of Grayling, who resigned as president and director of the bank Monday, effective as of close of business on that day.

Hume is an account executive with Ford-Aldinger and Co. Detroit investment and banking firm.

Holger Hanson of Grayling, a vice president of the bank for many years, was re-elected.

John Alet, cashier for the past five years, was also given the post of executive vice president to replace Russell C. Allen, of Grayling, who resigned at the meeting Tuesday.

Alet will also serve as secretary to the board of directors and will be in charge of the operation of the bank until Hume takes over.

Tentative plans are being made for an evening of basketball by Grayling's greats of the town which material would be held in February with the proceeds going to the March of Dimes. At present it is hoped to floor the Grayling High team that entered the first state wide basketball tournament for high schools and which they won. The famous Lumberjacks would also perform as would many other stage stars of the past. It would be a thrilling program and would raise a good purse for the March of Dimes.

Road Clerks Meet At Grayling Today

There will be a luncheon and meeting of County Road Commission Clerks of the northern half of the Lower Peninsula held at Shoppenagons Inn today, Thursday. About 35 county clerks will attend this meeting.

At the office of the Auditor General's office of the State Department and Bay Kitchens of the State Highway Department will be the speakers at the meeting.

Grayling Laundry Names New Plant Manager

The Grayling Laundry and Dry Cleaner have a new plant manager, announced owner John Peterson last week. He is Jerry Truettner, 37, formerly of Lansing. Mr. Truettner and his wife, Leona, and their four sons, Dennis, 14, Larry, 12, and Robert, 10, moved to Grayling last January. They are living now at 505 Elm St.

Mr. Truettner was in the dry cleaning business in Lansing before coming to Grayling.

Grayling Bow Hunters Plan Member Drive

The Grayling Bow Hunters Club held a meeting of Grayling bow hunters at the Bear Archery Co. on Monday, January 23rd. The talk was about a membership drive to start February 1st. Anyone interested in belonging to a good active club built by good sportsmen, and having good clean fun throughout the winter and summer are welcome to join. The fees set at the meeting were \$3.00 for a single membership, \$5.00 for a family membership.

Plans for an indoor shooting range to get and keep archers in shape throughout the winter months were discussed. Preparations for several tournaments and fun shoots through the summer were also gotten under way. There are usually from 400 to 1,000 archers from outstate who attend these shoots.

At a December 29 meeting of the Club, new officers as follows were elected: President, Charles Kroell; vice-president, Stanley Madsen; secretary-treasurer, Mrs. Jo Monroe. The Board of Directors elected at that meeting were: Bob Smock, Dave Monroe and Howard Hatfield.

More Kids Get Salk Polio Shots

About 206 Crawford County youngsters in the kindergarten and first grade received an introduction to Dr. Jonas Salk by the health department in the Grayling High School this Tuesday.

This is the second in the series of polio shots given to the smaller children under the auspices of the District Health Department No. 1. Crawford County Nurse Mrs. Johanna Gorman supervised the "mass needling" again while doctors from the Keyport-Cliff-Henric Clinic staffed the clinic to administer the shots which have so successfully protected so many children this past year. Assisting in the handling of the children were volunteers selected by the Crawford County Chapter of the National Foundation for Infantile Paralysis.

The health department finally received enough vaccine so that poliomyelitis vaccine clinics could be held for the children in the kindergarten and first grades in the department's five-county area.

Letters were sent through the schools to the parents of these children, giving them an opportunity to see how in the world their child if they had not already received it from their family doctor.

The children in these grades are in an age group most susceptible to paralytic polio and should be given the vaccine now so their bodies can build up immunity before the summer months when the number of poliomyelitis cases increase.

Volunteers who aided at the Salk Polio vaccine clinic were Mrs. Charles Kroell, Mrs. Ella Hanson Wilcox and Mrs. John H. Peterson.

BEAR INDIES TRIM STATE HOSPITAL FIVE

The Bear Archery Independents took a decision from the Traverse City State Hospital basketball team there last Wednesday night by a 53 to 40 score.

The Bears got off to a slim 12 to 11 first period lead only to watch the State Hospital employe quintet pull back to a 20-20 halftime tie. The Bears again forged ahead to a narrow 32 to 31 lead at the end of the third quarter and then poured it on to score 21 points in the final period to Traverse's 9.

Allan Lucksted moving to a forward hit on 8 field goals for 16 points to lead the Bears with Dick Miller adding 14 on a 5 and 4. Ronnie Larson scored 12 on a 6 and 1 with Thompson adding 6 and Sandy Thompson 4. Drees with 15 from 7 field goals and a foul shot and Banks with 13 on 6 field goals and a foul shot led the Traverse City five.

The Bear Indies will next season when they travel to Chibougamau to meet the Grubbs Motor quintet in a game there this Saturday, January 28th. The next home game for the Bears has been set for Saturday night, February 4th at 8 o'clock at the new high school gym. Their opponents will be a fast, strong independent team from Mackinaw City.

Tennessee Ernie says that the best way to get back at a guy you don't like is to buy each of his kids a drum. I got a brother-in-law who gave another brother-in-law's boy a small toy set a few years ago. The kid was about three years old. Fortunately the lad was a calm well-behaved sort of a boy and the family survived this "gift". In a few weeks, however, the first brother-in-law (who now has a three year old of his own) will be repaid in full. His boy, who is a holy rolling terror on ball bearings, is going to get a BIG toy set complete with saw, chisel and brace and bit. Ought to be fun.

Well, we have a new Winter Sports Queen in Grayling, and a lovely girl she is. But again this year and every year, there is a great hue and cry that the contest was "fixed". It's a smart thing that outsiders do pick the queen. Who, I beg ask, would volunteer for such a job in Grayling? I for one would avoid it like the plague.

Makes me girl and her family happy and the rest angry? No sir, not me! Would you... honestly? Ask thirty different people in Grayling who they would pick and you'd have every contestant named at least twice. Jack Pine has his own ideas of who is the prettiest girl in town, but a Sheriff's hands or when anyone in town says "There is nothing... but NOTHING... so difficult to handle as the mama whose little girl didn't win the beauty contest. Hats off to those wonderful people who band together in self-defense to pick a queen, you see, it's the highest honor, but you wouldn't dare do the same thing in your own home town.

—JP—

At long last all the rumors have died and the facts about who, what, why, where and when concerning the Grayling Bank are pretty well established. It is quite usual that when a company changes hands or when anyone in any responsible position leaves that position there is laid at the outgoing party's feet all the blame for everything from poor weather to Uncle Charlie's corns. But there are also those who think just the opposite... those people who are convinced now that a "new crowd" is in, that the world will shake with wrath from On High, that the time has come to move out of town, that everything is going to pot. Both ideas are extreme; and both are common in Grayling when one talks about the changes in the bank.

Jack Pine doesn't feel much one way or the other. I think my money is safe in the bank now... just as safe as it was before. But Jack Pine will say this: If all this talk about people and firms who do their banking in other towns is true, then I don't see how in the world anyone expects our bank to do much of anything for Grayling. The ONLY way that a bank can loan money to a man to pay the grocery bill or build a factory is to HAVE the money. The ONLY way a bank gets money is from people who put their money in the bank. It is as simple as that. So if you REALLY want to help Grayling, a good way to start is to believe in, trust in, and deposit in your local bank. You'll benefit, and so will everyone else.

—JP—

My economics professor at MSU would tell of his scalp the already laid his hair at my "short course" on the economics of banking. He would insist that I chatter about the Federal Reserve System, the Federal Deposit Insurance Corporation, the State and Federal Banking laws, commissions, boards, and other assorted matters. But it's all for the same purpose... to make damned good and sure any money a bank has of yours and mine is ours any time we want it. What happened in the Money Branch a few years ago can't happen here... it's a different set-up.

—JP—

It is not true that bankers have fish eyes, ice water for blood and are just as cold alive as dead. Rather they are nice people who actually marry women and raise children, tell good jokes and work in a garden. They look and act the way they do because of all the silly people who come in to get some of our money to pay bills their money can't, And all in a sitting position. You'd get fishy-eyed, too!

She is five feet tall, is an expert skier and a member of the Lewiston Ski Club and will actively participate in several of the ski races which will be held weekend in the carnival activities.

Expect Many More In By February 10th

Five Winter Sports Queens Already Entered In Miss Michigan Contest

Interest is apparently much higher this year in the Grayling Winter Carnival Miss Michigan Snow Queen contest than ever before. Five winter Queens have already been entered with many more expected in by February 10th when the big weekend is.

First to enter the contest was Norma L. Plank, 20, who represents Boyne City. Second the contest was Eloise Worsley of Lewiston, who is expected to be crowned as Miss Lewiston Valley this week. Third Grayling's own Mary Richardson. Both Traverse City and Verine have made entries for the contest who are yet to be entered by the two committees.

Michigan's Governor G. Mennen Williams is expected to crown new 1956 Michigan Snow Queen here on February 12th in the Miss Patricia Tisch, the Michigan Snow Queen will be her reign. She will be here the weekend as a guest of the winter sports committee. Other

Frank J. DeCaire Services Held In Saginaw

Services were held Friday afternoon January 20th, at the First Funeral Home in Saginaw, Michigan, for Frank J. DeCaire, 67, of Grayling, who died at his home in Saginaw, Michigan, on February 18, 1952. He was born in Grayling, Michigan, on February 18, 1952. He was a member of the Grayling High School and the Grayling Community Church. He was a member of the Grayling High School and the Grayling Community Church. He was a member of the Grayling High School and the Grayling Community Church.

DeCaire was born to Mr. and Mrs. Joseph DeCaire in Crawford County, Michigan, on February 18, 1952. He came to Grayling in 1952, after having the property formerly owned by the DeCaires on the St. from Mr. and Mrs. Al St. Simon.

He is survived by his wife, Frank J. of Detroit, who with wife came to Grayling, Tuesday last week to accompany the remains to Saginaw from the Sorin Funeral Home. Other survivors are not known.

Mobile Hearing Test At Here Feb. 1-2

Residents of Crawford and Roscommon Counties will have an opportunity to protect their hearing by having a hearing test in the mobile testing unit of the Michigan Association for Better Hearing which will be in Grayling, January 1 and 2, 1956.

These tests are recommended for all adults, even those who are aware of a hearing problem. Hearing loss may go unnoticed in early stages and if preventive measures are to be taken before it becomes a handicapping degree, a hearing test is necessary.

On February 1 and 2, 10:00 A. to 6:00 P. M., two-minute tests will be given to discover those who have hearing losses. All persons who are found to have some hearing loss will be asked to return at a later date for more thorough testing.

All these services are without charge. The Michigan Association for Better Hearing is a non-profit organization financed by Michigan United Fund through the local Community Chest campaigns of Michigan.

The hearing testing program in Grayling is being sponsored by District Health Department No. 1.

Select Grayling For FBI Auto Theft Meet

A Federal Bureau of Investigation law enforcement conference on auto theft will be held next June 12 at Grayling.

In making the announcement, Charles W. Brown, special agent in charge of the Detroit office of the FBI, said additional conferences would be held June 7 at Lansing and June 14 at Marquette.

They will be operated on a forum basis. Representatives of local and state agencies will be asked to participate with the FBI in exchange of information and knowledge.

The conferences will bring about a direct exchange of information among law enforcement agencies and improved efficiency in dealing with this crime.

Brown said more than 100 conferences of this type had been scheduled this year by the FBI on a regional basis throughout the United States.

Grayling was selected for the conference because of its central location and the fact that it is a small town. Brown said the FBI is interested in the cooperation of local law enforcement agencies in the fight against auto theft.

The FBI is also interested in the cooperation of the public in the fight against auto theft. Brown said the FBI is interested in the cooperation of the public in the fight against auto theft.

Death Toll On State's Highways Alarms Police And State Officials

Police and alarmed state officials again are pointing on themes of highway safety.

For the third year in the last 10, more than 2,000 have been killed in Michigan traffic and law enforcement officers admit they are unable to understand.

They point to the speed zones, educational campaigns on local levels, extra patrols, the use of the Michigan National Guard on weekends and new safety devices in automobiles.

State Police Commissioner Joseph A. Childs is working on a plan to install movie cameras in patrol cars and institute a "saturation patrol", one car every 10 miles around the clock on high accident stretches of highway.

"We're finding more and more that the final answer to safety lies with the driver," he said.

He estimates that the 18-month highway safety campaign, which started Dec. 1, 1954, has resulted in the decrease in the number of traffic deaths from December of last year.

But the 208 November toll was far out of proportion to the year before, assuring Michigan that the total for 1955 would go beyond 2,000.

Here's what Childs says about drivers:

"If drivers would only obey the

rules of the road, look out for the other fellow and use common sense, most accidents would not occur.

"But unfortunately, all will not do that. The question that remains to be answered is how many won't, and as a result, will get into trouble."

Experts have been trying for years to discover how to make drivers as safe as their vehicles.

Michigan State University and the University of Michigan both are now studying driver attitudes—the forces that cut his efficiency in any given situation on the highway.

D. C. W. Muehlberger, director of the crime detection laboratory for the state health department, says that up to 40 per cent of the accidents involve people who have been drinking.

Others say that cars have been built with too much power for the human mind and body to control. Automotive leaders answer the extra power is a safety factor.

Here's another factor: Secretary of State James M. Hare said new car purchases hit an all-time high in 1955 with 567,392 new certificates, a 16 per cent rise over the record in 1953.

Transfers of titles of used cars were slightly increased.

He estimates that Michigan will have 3,900,000 vehicles on the highways during 1956. If all were on the road at the same time, the traffic jam would give police nightmares.

Bank Officers

(Continued from Page 1)

as president on Feb. 1. Hume will move here then to make his home.

Two other new members were named to the bank's board of directors. They are Richard Durant, owner of the Durant Investment Co., of Detroit, and a Detroit investment broker, and Arthur Clough, Grayling real estate and insurance broker.

Re-named to the board were Esbern Hanson, Charles E. Moore, and T. P. Peterson, all of Grayling.

All employees of the bank were retained by the new directors.

Truettner had been an officer of the local bank since Jan. 20, 1947, coming to Grayling from the National Bank of Detroit. His resignation Monday concluded a 56-year career in Michigan banking.

Allen came to Grayling in November of 1949 from the Commercial National Bank of Chicago and has spent more than 30 years in the banking business in Michigan.

On Dec. 31, 1954, the Grayling bank's statement revealed capital funds of \$22,638, which by Dec. 31, 1955 had increased to \$183,733. During the same period total deposits increased from \$1,656,951 to \$2,548,049, representing total deposits and securities.

The present Grayling bank opened for business on Saturday, Jan. 2, 1932 to provide this community with the first banking service it had had since the former Bank of Grayling closed its doors on June 30, 1931.

Officers of the State bank when it opened, were Esbern Hanson, first president; Holger Hanson, cashier and manager; and John Peterson, vice president.

Members of the board of directors were the officers and Fred R. Welsh, the late J. F. Smith, and A. J. Nelson, all of whom were stockholders along with T. P. Peterson, the late H. A. Bauman, Alfred Hanson, George Burke, Marguerite Nielsen, the late George Olson, Nelson Corwin, the late Dr. C. R. Keyport, the late George Seranin, Dr. C. G. Clippert, Earl W. Dawson, the late C. J. McNamara, and the late M. A. Bates.

The capital stock and surplus of the new bank was then \$30,000.

Under Bruun's management, the bank's resources grew to \$1,739,620.03 on Dec. 31, 1946.

Bruun served as cashier, manager and later president as the bank was making this terrific increase in size.

In late January of 1947, Bruun Esbern Hanson, and some of the other stockholders in the financial institution sold stock to Truettner and his associates. Truettner at that time was elected president.

The question is how to coordinate all the danger factors into a package and find answers.

The legislature made a start during the special session in November with a new speed limit of 65 in daylight hours and 55 at night starting Feb. 3, money for 200 more state police, and cash to pay for driver education programs in the schools.

Tighter violations records were ordered in an attempt to weed out bad drivers before they become accident statistics.

There will be more proposals in the 1956 legislative session. They will include new attempts to legalize the chemical test for drunks as evidence in court—for or against the driver and bills already have been prepared for the proposal.

The state safety commission is scheduling 14 regional meetings to conduct grassroots safety campaigns and is seeking finances to educate drivers.

"We want to do all we can before the speed limits become effective," said Maxwell Halsey, executive secretary of the commission.

Education, Another Major legislative problem, is seeking answers on two new fronts this week.

Citizens have organized a 62-member committee to disseminate the findings of the White House Conference on Education to the local areas where it can best be used.

The campaign will be focused on a "Little White House Conference" for Michigan here Feb. 14 when more than 1,800 citizens will be invited to exchange views on the issues.

Chairman of the conference will be Elmer E. White, executive secretary of the Michigan Press Association, whose acceptance reflects the great degree of interest newspapers are taking in education.

A main purpose of the state conference will be to develop leadership for local education among citizen groups.

Simultaneously, a legislative interim committee is preparing for a \$150,000 study of Michigan's needs in higher education in the light of a 100,000-student rise in enrollment expected by 1970.

Mr. and Mrs. Albert Schreiber announce the engagement of their daughter, Anna Marie, to L. W. LaGrow, son of Mr. and Mrs. Verr Wing of Kalamazoo. The wedding is planned for March 3rd.

HELL TO PARADISE ONLY HALFWAY

Newspaper readers will probably remember late last fall of a Conservation employee who made it from Hell to Paradise. Harold Peterson, a park Ranger for the department was transferred from the comparatively balmy southern Michigan town of Hell to Paradise which is way up in the northern peninsula located on frigid Lake Superior's shore at Whitefish Bay.

Ray "Bub" Milnes, his wife and family moved to Grayling last month. Bub is with the lake and stream improvement section of the Fish Division of the Conservation Department. They live in a large house-trailer as his work calls him to move from town to town.

Way last summer they moved to Hell and to top it off parked their trailer right in the Harold Peterson's backyard. The Petersons made it to Paradise in October. The Milnes made their move in December. They left Hell, but only got about halfway to Paradise—to Grayling. But Grayling being Bub's hometown, we'll bet it's close enough to Paradise for him.

Rites Anna For Mrs. Anna LaGrow

A solemn requiem high mass was sung for Mrs. Anna LaGrow, Tuesday, January 18, 1956 at St. Mary's church in Grayling by Fr. James Maloney, of Chelcyogan, assisted by Fr. Fox of Hubbardston as deacon, Fr. Breitenstein of Grayling as sub deacon, and Fr. Kelly of Carson City as Master of Ceremonies. Larry LaGrow, a grandson, was head altar-boy with Jim Kessler, Ed Skinner and Curtis Marshall assisting. Dick Lovely and Jerome Kessler were ushers. Fr. Maloney also preached the sermon.

Relatives from out of town were Ebbon LaGrow, Mr. and Mrs. Leo (Doris) Seymour and sons Jim of Ionia, Leo Jr., of Grand Rapids, and their wives, Mr. and Mrs. Paul (Azilda) Drcher and sons Paul Jr., Alex, Danny, and daughters Joan and Barbara, Mr. and Mrs. Henry LaGrow and son Ronnie, Mr. and Mrs. Lowell (Yvonne) Overly, Mr. and Mrs. Francis LaGrow and son Francis Jr., all of Detroit.

Mr. and Mrs. Lionel LaGrow of Cleveland, Ohio, Mr. and Mrs. Jack LaGrow, sons Denny, Tim, and daughters Lou Ann, Linda, Jackie and Karen of Plymouth, Mrs. Grace Mallow of Hubbardston, Mr. and Mrs. Archie Graham of Whittemore, Mr. and Mrs. Ted Jacques of Tawas City, Mr. and Mrs. Elwood Jacques of Saginaw, Mrs. Adeline Kiley, sons Ed, Emmet and Mike, and daughter Mrs. Martin Shannon and husband, Ed's daughter Geraldine, Miss Cora Ann LaGrow of Traverse City, Mr. and Mrs. Jack McClain of Grand Rapids, Fr. J. McClain Jr., of Detroit.

Friends from out of town were Mr. and Mrs. Cline McDermid and Ed McDermid of Flint, Mr. and Mrs. Adamson Compeau of Stan and Mr. and Mrs. Walter J. McConning.

"Sixteen Tons"

One of the current hit songs is entitled "Sixteen Tons"—a lament depicting the hard lot of the coal miners. It makes a good song but it's to be hoped that one gains the impression it describes today's conditions in the mines. Changes in coal mining have been revolutionary with power taking the place of muscle. The coal miner is one of the highest paid industrial workers in the nation. Modern machinery to accomplish almost every task connected with the production of coal is rapidly making hand labor a thing of the past. The miner is becoming a highly skilled machine operator. Just in the last five years progress has been phenomenally rapid, with production per man-day increasing from 6 1/2 tons to approximately 10 tons.

Mechanization, in addition to easing the lot of the miner, has also been of prime importance in the industry's efforts to meet the competition of other fuels, and provide abundant high-grade coal, tailored to fit the needs of every class of consumer from large industrial user to small home furnace.

Yes, the old coal industry depicted in "Sixteen Tons" is long gone in America. All forecasts indicate that the energy demands of our nation will grow at an increasing rate for as far as we now can see into future years. All forms of energy, whether they be oil, coal, gas or atomic, will be called upon to carry a heavy burden. Coal is a basic fuel, and it must be maintained as an efficient productive industry able to meet the demand which rapidly increasing energy requirements will place upon it.

The Good Citizen And The Law

A favorite theme of early western fiction is the portrayal of the slow but sure ascendancy of law and order over frontier gangs who rode rough-shod through lawless communities. Dime novel heroics obscure the grimness of the situation as it existed then.

There is nothing more fearsome than the exposure of lawless people of a community to the attack of law-abiding citizens. It can still happen, and the remedy is still

the same—co-operation between private citizens and law enforcement agencies. An outstanding example is in Philadelphia. For a number of years gunpoint holdups of local merchants reached alarming proportions. One company, American Stores, which operates a chain of retail establishments in the Philadelphia area, was particularly hard hit. Finally, the management of this company, in co-operation with authorities, launched a campaign against such outlawry. The result has been a steady drop in the incidence of holdups.

Recently, American Stores completed one full year of operation without a single gunpoint holdup in any of its stores in Philadelphia. As a token of appreciation, the local AFL Food Clerks and Managers Union, 84 of whose members had been subjects of holdup outrages, tendered a luncheon to William Park, Chairman of the Board of Directors of American Stores, and 18 top executives of the company.

In presenting an engrossed testimonial to the management, the union officials emphasized a fact that should never be forgotten: "Suppression of crime is a definite responsibility of all good citizens, not exclusively that our law enforcement agencies, a social and civic opportunity to which all leaders of business enterprises may well address themselves. . . ."

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

January 26, 1933

Delegates representing 33 counties met in Grayling Monday to learn "what it is all about," when the State department notified them to be in attendance at that time. Funds provided by the Reconstruction Finance Corporation for use in the construction and maintenance of state and federal highways were ready for appropriation. But, according to Walter Dunden, Lansing, representing the State Welfare Department, all applications had been made out and approved. Therefore, this special district meeting was called to be held in Grayling, the most centrally-located city in the district, so that Mr. Dunden might go over the matters pertaining to each county and differences ironed out. Apparently wrong interpretations for the questionnaire sent out by the State committee had been holding up progress and no money could be paid out until this condition had been corrected. Crawford county was awarded \$5,000 for use in February. This amount will be available February 1st.

According to C. J. McNamara, chairman of the Crawford county road commission, and work will start at that time. It is understood that from 85 to 90 men will be employed each day, and that groups of about that number will be alternated in such manner that every man needing work will be given at least part time employment.

Grayling High won three bas-

kethall games last Friday night in rapid succession. The first team took Lake City for a 23-9 count. The reserves rolled a 38-4 decision onto Lake City reserves. The high school girls came from behind and cornered the decision over the Alumni by a 15-12 margin. A lot of action was presented to a good crowd in this three-play attraction.

Mr. and Mrs. Harold Cliff spent the week end in Lansing visiting the latter's parents, Mr. and Mrs. Marius Hanson.

Mr. and Mrs. William Leng of Frederic left Wednesday for Detroit to attend the Auto Show. They were accompanied by Miss Rosalie Stammler, who went on to Brownsville, Pa., to spend a couple of months visiting her aunt, Mrs. Isa Rex.

Miss Rosalie Stammler and Miss Laura Ensign, delightfully entertained a company of young ladies at the home of Mrs. Louis Kessler last Saturday evening in honor of Mrs. Jerome Kessler, a recent bride. The evening was spent playing cards, and the bride received many lovely gifts. The hostesses served a delicious lunch.

Last Saturday afternoon, the Women's club, entertained at a very delightful bridge party at the home of Mrs. Emil Giegling. The affair was given to raise money for the Children's milk fund. Prizes were won by Mrs. Esbern Hanson, Mrs. Harold MacNeven, Miss Margaret Hanson, and Mrs. George Olson.

Mrs. Robert Burman of Saginaw, wife of Bob Burman, well-known auto speed demon, left here Friday after spending some time in Grayling learning the Marcelling processes as taught by the Cowell Institute. Mrs. Burman and her daughter were here several weeks last summer studying the work. The latter is

now in New York preparing to enter speedboat contests and the mother is to join her soon.

Mrs. Holger Schmidt entertained at her home last Tuesday evening at a very delightful party of five tables of bridge. High score for the ladies was held by Miss Olga Everard, with Miss Josephine Nichols holding second. Mrs. Schmidt held high score for the gents. A very lovely lunch was served by the hostess later in the evening.

Richard Lovely and William Heric were in Cadillac Sunday attending a meeting of the Knights of Columbus.

Miss Inez Anderson of McBain spent the week end here the guest of Gerald Poor.

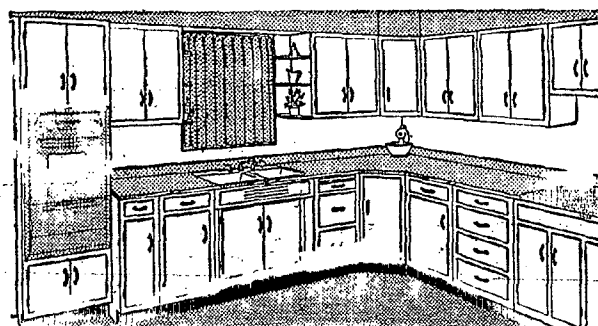

It is necessary for Charles Corwin to take a forced vacation from his mill route and other farm labors, owing to a broken collar bone. Mr. Corwin and his boys were hauling a load of poles on Saturday, January 14, when the poles started rolling off the truck onto him. He is convalescing nicely and expects to be back on the job in a couple of weeks.

A program of concert music, rendered by the Grayling Band, in the High School auditorium Sunday, January 22nd, was enjoyed by approximately two hundred persons. The program was selected

by Director Ed Clark and contained selections, waltzes, solos and marches. Numerous compliments have been received since the concert was played, and many have expressed their appreciation of winter programs. Another afternoon of music will be furnished by the band some time in February. There is no charge whatsoever for these concerts and it is hoped there will be a still larger turnout for the next one.

A. L. Burridge of Cadillac, district superintendent of state highways, was in Grayling Monday and while here showed specifications for the construction of a new bridge across the AuSable river on US-27 replacing the concrete bridge that is in present use. The new bridge will be built of steel and will have a width of 45 feet. There will be walks for pedestrians on each side. A new spillway will replace the present one. The latter has a width of 10 feet and the new one will be 17 feet wide, thus reducing the heavy flow below the dam. It is understood that this work will be started very soon. Much of the material for the bridge is already on the ground.

One take-off for traffic

-and-

two for the road

You ought to try
Variable Pitch
Dynaflow
Now!

The light is red and you're ready.

It flashes green and you go—but quick.

And that's when you discover the Number One news about Buick's new Dynaflow...

That it gives you brilliant new getaway response for city traffic at only part throttle—even before you switch the pitch of this airplane-principled transmission. (And think of the big gas savings that means!)

Next comes the Number Two discovery—out on the road.

For here—still without switching the pitch—you have plenty more nimble acceleration to surge or spurt ahead, to climb hills, to do with almost effortless ease all the things normally called for by highway driving.

But comes an emergency—the need to get out of a tight spot—and you discover the Number Three news...

That you can do what a pilot does. That you can switch the pitch of your Dynaflow blades—just by flooring the pedal. And that you get, instantly, a full-power take-off from cruising pace—an electrifying burst of acceleration—the most thrilling safety measure on four wheels today.

This is performance too good to pass up—and you really ought to try it.

It's performance sparked by the whispered might of big new 322-cubic-inch V8 engines raised to record highs in power and compression.

It's performance that goes with the best ride yet, the best handling yet, the best interiors yet, the best styling yet—and, literally, with the best Buick yet.

Come in and see—and be shown—and learn, in the doing, about prices that make these '56 Buicks the best buy yet.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Mary C. Carter

It was on the night of August 11, 1955 that Mary Clare Carter was brought to Grayling Mercy Hospital, the victim of a terrible automobile accident. One young lady was dead and four others injured besides Mary. Mary Carter has been a patient at Grayling Mercy every day since that time until Tues., Jan. 17 when she was released to go to Grand Rapids to enter another hospital for further treatment. In this length of time, Mary has made many friends here not only in the Hospital but throughout the community. She wanted the following letter published to say "farewell" and "thanks" to the many friends she has made.

"Saying goodbye is one thing I've always found difficult and leaving so many wonderful people I'm at a loss for what to say. When I came here I didn't know anyone and now, after five months and four days, Grayling has become a true home that I'll never forget."

I owe my life to Dr. B. Elmore Honig, Dr. E. H. Rodda, Mrs. Ernest Larson, all the Sisters of Mercy, Miss Mary Noe, Mrs. Neil Reid, and all the other capable nurses at the hospital. This alone makes me thankful to them and it could have stopped there but they have grown to be a second family to me.

I've lived all my life in a big city and the activities in a small town were all new to me, no buses or streetcars, no rushing and bustling and the cold indifference you find in a city. I didn't understand hunting, ice fishing, or skiing, or having a graduating class of only about forty students from high school, but the people were the same, and I found a smile was always returned by an equally sunny smile and cheery word. Strangers quickly became close friends with warm and open hearts. I can never hope to thank fully everyone who has helped me. I have come to know almost all the ministers here and each in his way has made my visit easier and happier.

A special thanks to the kids of Grayling. There were a lot of days when I got pretty homesick and all of you helped me forget for a while. I won't ever forget any of you and I hope maybe I'll hear from some of you. My address is: Mary Free Bed Guild Hospital 920 Cherry St., S. E. Grand Rapids, Michigan.

I'm hoping with all my heart this will not be goodbye. And may the good Lord watch between me and thee while we are absent one from the other. Amen.

Mary Clare Carter
Mr. and Mrs. Ernest Larson held an open house at their home Sunday night for all Miss Carter's Grayling friends. They were assisted by Miss Deanne Herrick, Orin Lucksted, Mrs. Ruth Fenton and Mrs. Neil Reid.

AS A DOWNSIDE NEWSPAPER SEES IT

The following editorial entitled, "They're Happy," appeared in the Sunday, January 8th issue of the Jackson Citizen Patriot of Jackson, Michigan and was called to our attention by G. A. Clark of Jackson.

The Citizen Patriot is edited by Carl M. Saunders who was honored several years ago by being presented with the Pulitzer Prize in Journalism. Editor Saunders has spent sometime in our country and is known by several Crawford county people.

Following is the editorial — Michigan's Sen. McNamara has joined seven other senators in sponsoring a bill to help depressed areas. Mr. McNamara, we are told, has the northern Michigan outcrop country in mind. Since the bill would provide help for areas where unemployment exceeds a certain percentage, he expects it would help the folks in Michigan's backwoods.

So far as he may have in mind the copper country, where mining employment has been up and down, the senator may be right. But when it comes to providing help for the "unemployed" in the outcrop areas, the senator perhaps isn't familiar with the picture.

Some of the finest of all Americans live in the northern Michigan lake pine and scrub oak areas. They live there because they love the country. During summers they guide fishermen or work in the resort business. In the fall they guide hunters, and later they hunt or fish through the ice.

It's a happy life. They wouldn't have it any other way. They're fine people — the woodsmen of the outcrop country. They know the song of the thrush and the drum of the grouse. They know where the grandfather brown trout are holed up and the low lands on which the woodcock feed. And they're a proud people. As guides they know automotive tycoons and professional men on a first name basis. Their friends are among the leaders in industry, the professions and commerce.

"Unemployed?" Well, during the depression when fishermen and hunters were scarce and guiding jobs hard to find, some of them worked on the roads or under WPA, never losing their pride. But in the main, they ask no sympathy and want no help.

Of course, it's true that all over the outcrop country there is a scattering of poor devils from the cities, who moved up there to get away from the odor of carbon monoxide and the whirr of the assembly lines. To the extent that they are unemployed, the bill which has gone to the Senate may be needed. Certainly they deserve the interest of Michigan's junior senator.

But, as for the good folks to whom the scrub forests long have been home — many of them descendants of early settlers — nobody is concerned who knows them. They can take care of themselves.

Letters To The Editor

Editor's Note—The following letter was received by Frank L. Bond, Superintendent of the Grayling School District, but to those sending pupils here from other districts.

Michigan Dept. of Public Instruction, Lansing, Michigan.
January 13, 1956.
Frank L. Bond, Supt., Grayling Public Schools, Grayling, Michigan.
Dear Mr. Bond:

Your school district has been approved for the collection of tuition for non-resident pupils enrolled in grades 9 through 12 for the year ending June 30, 1957. This decision has been made as a result of a review of the available data on your total school program.

Sincerely yours,
Edgar L. Grim,
Deputy Superintendent.

SPORTS CORNER

This an' That

Argentina's last-minute entry brought to 33 the number of nations participating in the 1956 Winter Olympic games at Cortina D'Ampezzo, Italy, January 26 to February 5... Ellsworth Vines, former National Amateur Tennis champion who became a pro at the age of 31, is now professional at the Inwood Country Club at Cedarhurst, on Long Island... A committee of civic and business leaders in Cleveland has been appointed to make a study of the facilities needed for the Pan-American games there in 1957. The committee will review existing sports facilities offered for the games and recommend which should be used and where new structures should be built... The most lopsided score in professional football came in a 1946 championship playoff game in which the Chicago Bears whipped the Washington Redskins 73-0. In the four-game World Series of 1928, Babe Ruth got 10 hits in 16 trips to the plate, chalking up the record batting average for the World Series—.625.

TRIPLE CHAMP... "Sugar" Ray Robinson, 35, came back from 31-month retirement to again become middleweight champion by knocking out favored Carl "Bobo" Olson, 27, in round two in Chicago's Stadium. Robinson regained title he lost to Randy Turpin in July, 1951, and took back two months later.

Catholics To Conduct Diocesan Census

Laymen of the Catholic Diocese of Grand Rapids have been asked to conduct a diocesan census. Bishop Allen J. Babcock of Grand Rapids has named this as the first project of the newly formed diocesan unit of the National Council of Catholic Men.

The Diocese of Grand Rapids comprises 15,540 square miles in 19 counties of western and northern Michigan. It contains 126 parishes organized into 10 deaneries. Of the one-million persons in this area only 10 per cent are known to the Catholics. The census will involve the visitation of every household within the territorial limits of the diocese—some 300,000 in number. The purpose is to make a more complete enumeration of Catholics, especially as regards their location, and to evaluate the state of the religious education of Catholic children. The data which is drawn from this census will enable Bishop Babcock to do some long-range planning in the establishment of churches and Catholic schools.

The census will be an exclusively lay undertaking. The workers, who may number as high as 15,000 and who will always travel in pairs, will be members of the various parochial and inter-parochial societies which are federated with the NCCM. The organization of the census includes four operational echelons: the diocese, the deanery, the "census unit," and the various levels have been nominated by the deans and pastors, and the latter have assisted in breaking down the territory into workable units.

Floyd J. McCarthy, of Cadillac, who is the diocesan chairman of this undertaking and who designed its organizational structure, has arranged for maps of every parish of the diocese to aid in the planning. These have been prepared by several draftsmen in the organization, with valuable outside assistance, especially from the Consumer Power Company.

The actual census will commence on Sunday, February 12, after a campaign of prayer and the reading of a pastoral letter in the churches of the diocese. The operation is scheduled to cover the period of one month.

Reverend Father John A. Breitenstein is assistant Deanery Moderator at Grayling. Deanery and James Duley is Crawford County census unit chairman.

Michelson Memorial Church News

Some 176 Boy Scouts and their counselors worshipped at a special service conducted by the pastor, Rev. J. McCarthy, at the Michelson Memorial Church Sunday evening. The youth choir, wearing their new choir robes, the boys were enjoying a week end at the Grayling Winter Sports Camp.

The School of Missions conducted by Commission Chairman Mrs. Harry McEvers Sunday evening dealt with several aspects of the Methodist Home Mission program. The lesson, "The Missionary," was presented by Mrs. Clarence Roberts. A missionary from one of the mission fields in Africa will address the morning congregation, next Sunday, January 29, and in the evening Mrs. Thomas Robertson will present the School of Missions lesson on missions in Africa.

Church School
Illness and inclement weather are combining to shatter many attendance records in the church school, both for classes and for individuals. No 100% class has been reported for several Sunday days.

Betty Milnes and Rita Brown are new members in the Kindergarten Department, Cheryl Brown and Steven Duley in the Primary Department, and Gary Duley in the Junior Department.

The newly elected officers of the Junior Light Brigade have been doing a fine job of conducting their program. Although spotty attendance has hampered completing the organization into smaller groups made up of pairs of "special friends." The club is ready now to get back to their interrupted program of preparing boxes of toys, first aid equipment, etc., for a mission field in Mexico. They will still accept old nylon stockings for stuffing toys, white material for bandages and dressings, and used Christmas cards from which they may cut religious pictures.

Calendar
Wednesday, 3:30—Primary Department, special meeting with Mrs. Matt Edson. 3:30—Light Brigade, regular meeting.
Thursday, 4:00—Youth choir. 7:30—Adult Choir.
Friday—Midwinter Institute for Senior Youth at Midland.
Sunday, 11:00—Morning Service featuring a missionary from Africa. 3:30—Light Brigade with lesson on African Missions.
Monday—Men's Mass Meeting at Hillman.

Bear Lake News

By M. D. the Roving Reporter
Saturday morning and I am tired. We have out Pollo Super last night and we are happy to report \$211.10 from Bear Lake Township for the March of Dimes. Grayling, you did not let us down, anything we can do in return, let us know. Thanks to Phil Woods for the hand you gave us. Every one out here sure did their part, also Tasty Bakery and Ideal Dairy. Boris Bay from Orionville won the electric blanket and was she surprised when we called her at 1 A. M. and reversed the charges. And Margie, and Al thanks to you too.

The real hunter can still get rabbits. Joe Newman, Fred Brownell, Chuck Foster and myself were out Thursday and got eight. We've got the pictures to prove it too. But is tough on the dog. I am not bragging about how many I shot but would not wait until they smelled my gun barrel.

Doris Stevenson who we reported last week, is still in the hospital but is much improved, but must stay there yet awhile. Elmore Ohio, is up, Earl D. has taken them over to Round Lake fishing. I don't know why they go so far when they are catching them like "meat" out of Bear Lake, and all with scales on Earl's fishing trip was very good with a whole pail full with some going 10 and 11 inches long. Bye, bye till next week.

Home Economic Council Hold

The Crawford County Home Economic Council held a meeting January 23 at the Township Hall. Roll call found all but one group represented. In attendance were the Chairman, Mrs. Harold Johnson, Vice Chairman, Mrs. Earl Broadbent, secretary, Mrs. Sam Colten, and the Council members, Mrs. Eugene Papendick, Mrs. Archie Howse, Mrs. Frank May and the Agriculture Agent, Mr. Bob Casey.

Mrs. Earl Broadbent gave a short talk on the district meeting which she and Mrs. H. Johnson attended January 18.

It was discussed that we try to get more groups interested in Home Economic work. If anyone is interested they can contact Mrs. Sam Colten, Mrs. Earl Broadbent, Mrs. Harold Johnson, or Mrs. Eugene Papendick.

It was voted that the Home Economic groups will give a gift to the five girls winning in the Cherry Pie Contest. This will come from the County treasury. There will be five cents collected from each group member to help send a delegate to Ceylon.

The Council discussed the advisability of having one Extension Agent living and working in Crawford County who would be responsible for the promotion of tourist and resort work as well as for the promotion of the County Club work and agricultural agent. Council members indicated they would discuss the matter with their respective supervisors and business people since a good share of his time will be in the promotion of tourist and resort business.

It was voted that the secretary-treasurer write a thank you letter to the officers of the township hall for their offering to the use of the township hall for the Home Economic Council meetings and lessons.

The next Council meeting will be held March 20. The public will be invited to the next lesson which will be on Social Security. It is to be held at the Township Hall, February 27, at 7:30 P. M. It is also time to pay the County dues.

We also find we have a few of our group members who belong to the Ground Observer Club.

Secretary-treasurer.

Lovells Notes

By Mrs. Clarence Stillwagon

Mr. and Mrs. John Haefka and Dennis spent the week end with relatives in Midland.

Rev. Schmidt of Alpena was guest speaker at Lovells Community Chapel Sunday evening.

Mr. and Mrs. Vern Hartman spent the week end at Cedar Lake with their relatives.

Pat Harwood and Vern Hartman have been enjoying some ice fishing at Shu-Pac, also enjoying the comfort of Vern's nice fish house. Had a nice catch but still in hopes of some of the big ones.

Mr. and Mrs. Charles Bottom who spend the winter weeks in Flint came up last week to investigate the damage done by those who broke and ran. Four Club room and the living quarters and a plenty was to be found.

Tommy Korenke has been out of school due to an ear infection, but is better at this writing.

Again our community has been saddened by the death of our good friend and neighbor, Wm. P. Spaulding, who passed away in Midland hospital last Thursday, January 18. Mr. Spaulding was better known by all of us as Bill, was a good neighbor, an honest and energetic man. He has been ill for sometime but in spite of undergoing serious illness he never gave up his work. He has lived in Lovells for several years in summer and the winters in Midland, his old home town, also where he has a son and daughter living. He is also a member of the Pigeon, whose home is in Lovells. He left Lovells early in December and as his condition grew worse he was taken to the hospital, where he passed away. Lovells community will miss him a great deal and his quiet pleasant manner with all of us. Our sincere sympathy is extended to his wife and family and all relatives who will greatly miss him.

Mr. and Mrs. G. A. Korenke left Saturday for a few weeks trip through the southern states.

Mr. and Mrs. Kenneth Dawson of Crawford County, who were in last Sunday of Mr. and Mrs. Vern Hartman and they both made arrangements to attend the Gift Show in Chicago. They will make the trip by plane.

Cheerful Givers Club met last Thursday with Mrs. Sophie Korenke with nine members present. A pleasant evening was had by all in attendance and needless to say, a delicious lunch was served.

The "500" party will be held with Pat and Margie Harwood Saturday evening at 8 P. M. at their home. Last week not so good.

Census Starts Tomorrow In Frederic, Maple Forest

Members of the Baptist Church of Frederic will be conducting a religious census during the coming week throughout the Frederic and Maple Forest town and rural areas. It is hoped that every home can be contacted between January 28 and February 1, and that cooperation will be greatly appreciated, since it will help the church to plan and serve the community more effectively.

The information gathered will be put to the first practical use during an inter-Sunday School attendance contest beginning February 5 and continuing through April 1. Others cooperating will be the Baptist Church of Oscoda and the Immanuel Baptist Church of Roscommon. Frederic's goal is 150 by Easter. Thank we'll make it?

Census Starts Tomorrow In Frederic, Maple Forest

Members of the Baptist Church of Frederic will be conducting a religious census during the coming week throughout the Frederic and Maple Forest town and rural areas. It is hoped that every home can be contacted between January 28 and February 1, and that cooperation will be greatly appreciated, since it will help the church to plan and serve the community more effectively.

The information gathered will be put to the first practical use during an inter-Sunday School attendance contest beginning February 5 and continuing through April 1. Others cooperating will be the Baptist Church of Oscoda and the Immanuel Baptist Church of Roscommon. Frederic's goal is 150 by Easter. Thank we'll make it?

Crawford County Avalanche Thursday, January 26, 1956

BITS O' TALK

Mr. and Mrs. Bert Norris wrote from Sebring, Florida, that they are having nice warm weather and sunny days there.

Ray Czachorski, owner of Ray's Pharmacy in Flint, and of a cottage at Lake Margrethe, foiled a robbery attempt at 6:30 p. m. Thursday of last week in Flint. He escaped the windshields of his car, parked near his store. A Negro approached him with a revolver in his hand and ordered Czachorski to get into his car and drive. Deliberately dropping his keys into the snow, he told the man he did not have the keys to his car. After replying that he had no money with him, Czachorski was ordered to walk along the building into an alley where it happened there was a group of young boys nearby. He shouted for help and the Negro struck Czachorski on the head four times with the gun, then ran away. The gunman was described to police as 27 to 30 years old, five feet, six inches tall, weighing about 160 pounds and wearing a dark cap, short leather jacket and dark trousers.

Col and Mrs. V. G. McFadden of Norfolk, Va., have written in part as follows: "You don't realize how welcome the Avalanche is every Monday morning. It's like a visit in Grayling. I get a 'bang' out of Jack Pine's column. He really arouses some interest in his identification, and his comments are timely. We have been planning to move into our new home here and would appreciate having our paper sent to the new address, 3428 Gurnage Dr., Norfolk, Va. We too have been having cold weather and some rain, but the sun is shining today and it's about 42°."

Mr. and Mrs. Robert T. Kolenda left Tuesday for Chicago. They will visit her parents the Andrew J. Petersens and attend the graduation from high school of her brother Donald.

Mrs. Holger Schmidt left Saturday for Ft. Lauderdale, Fla., to spend about a month and a half. She will be visiting relatives while there. Mr. and Mrs. R. F. Buzzell.

Mr. and Mrs. Leslie Goss and children Gail and David visited Mrs. Veronica Neundorff in Bay City last weekend. Also Mrs. Goss's sister, Mr. and Mrs. Earl Leavens. They went on to Midland Sunday and called on another sister, Mrs. Harold LaLonde, who is in the hospital there.

Mr. and Mrs. Tom Welsh entertained her brother, Leado, Bob of Vassar, and Mrs. Jayne Bebow of Saginaw, overnight Saturday. On Sunday Mac Thompson, Burgie VanWiggen and Fred Hodson all of Vassar were dinner guests.

Rev. R. C. Puffer will speak at the Methodist church at Pioneer, Michigan Sunday evening.

Fred Welsh drove to Saginaw Friday, and stayed overnight at the home of his daughter, Mr. and Mrs. Douglas Stirling, brought Mrs. Welsh home from her week's visit.

A surprise birthday party was given Mrs. Lewis Stillwagon Tuesday, January 17th, by her daughters Miss Martha and Marydell at the Stillwagon home. Eight ladies were guests at the party, at which games were played and ice cream and birthday cake were enjoyed. Mrs. Willard Cornell and Mrs. Bill Joseph won the prizes awarded. Dorothy received many lovely gifts from her many friends.

Mr. and Mrs. Otto H. Eden and daughter, Patsy, of Tawas City visited Mrs. Norbert Beauchamp week end, before last.

Mr. and Mrs. Clyde Smith of Mancelona called on their sons, Mr. and Mrs. Bruce Smith and Mr. and Mrs. Bud Smith Wednesday night of last week before leaving on Saturday for Stockton, Calif., where they will spend the next couple of months. The Smiths visited his father, Azra Smith in Stockton, and sister, Mrs. Ray Pike in Modesto and other relatives.

Mr. and Mrs. Van Smith spent from Monday until Wednesday of last week in Lansing, where he attended a Michigan Township convention as a delegate.

Mr. and Mrs. Donald Sorenson gave a birthday party for their daughter, Marie Louise on Friday night, this being her first birthday. Mr. and Mrs. Oscar Smith and Miss Onalee Smith were guests. Mrs. Minnie Hartley, whose birthday is the same day as Marie Louise's, was also a guest. Mrs. Hartley's late mother and Mrs. Sorenson also shared the same birth date.

Mrs. George Sorenson left Saturday for Grand Rapids, where she will spend a week visiting her five sisters and one brother. Mr. and Mrs. Philip Woods drove Mrs. Sorenson down and returned on Sunday.

Mr. and Mrs. Al Stephan invited in members of the family for ice cream and birthday cake on Thursday, January 12, the occasion being their son, Richard's 8th birthday. Richard received some very nice gifts.

Visitors at the Russell Wright home over the weekend were his parents, Mr. and Mrs. James Wright, of Saginaw, and two of his brothers, Mr. and Mrs. Edwin Wright and family, of Davison, and Mr. and Mrs. Earl Wright and family.

Dr. and Mrs. B. E. Henig held open house at their home on Peninsular St., on Sunday from 4 to 6 p. m. for some 75 guests, to meet Dr. and Mrs. V. Robert Milkan and Mr. and Mrs. Donald Blodgett. Banquets were placed throughout the house and a bowl of red roses centered the refresh-

ment table on which very tasty and attractive refreshments were offered. Guests from out of town included Mr. and Mrs. Raymond Elsey of Detroit, the Wood's daughter, and Mrs. Gordon Chamberlain of Traverse City.

Elmer Ward, Al Smith and Phil Minnie of Port Huron were weekend guests of the Tony Burtons. Mr. Ward is Mrs. Burton's brother.

Mr. and Mrs. David Kelly visited his brother, Mr. and Mrs. Sam Kelly and family in Charlevoix on Sunday.

Sgt. and Mrs. Richard Hall of St. Pauling, Ga., spent last week-end visiting his brother, Mr. and Mrs. Bernard Hall. Sgt. Hall will be going to Gettysburg sometime soon.

Pastor and Mrs. Harold Knudsen held open house at the parsonage on Sunday for some 40 members of the Danish congregation. Group singing was enjoyed during the evening, and a very fine lunch was served to all.

Mrs. James Wakeley was the lucky winner of the \$15.00 prize at Carl's Beauty Shop, reopening last weekend. The shop has been completely and very nicely redecorated.

The annual congregational meeting was held at Danebod Hall, Sunday, January 15th, in the evening. Coffee was served by members of the Junior Aid. Those on committees were Mrs. Harold Knudsen, Mrs. Lillian McLeod, Mr. and Mrs. Raymond Elsey of Detroit spent Sunday and Monday visiting her parents, Mr. and Mrs. Donald Wood, who are living in one of the Norris apartments on Michigan Ave.

Mrs. Jack Cook spent the weekend visiting her sister, Mr. and Mrs. Frank Weir in Detroit. Fred Cook, son of Dr. and Mrs. Hugh Cook of Bay City, visited his cousin Johnny during Mrs. Cook's absence.

On her return from the Grand Rapids Filter Center last Saturday, Mrs. Edwin Pratt and her group came home by way of Six Lakes, where they visited Mrs. Pratt's sister, Mr. and Mrs. Kenneth Metz, who had prepared a dinner and birthday cake in honor of Mrs. Pratt's birthday.

Mr. and Mrs. Max Haslem spent the weekend with her parents, Mr. and Mrs. Earl Mathewson. Mrs. Haslem is remaining for a week while their household furnishings are being moved from Flint to Sault Ste. Marie, where they will make their home. Mr. Haslem has been transferred as District Representative for G. M. A. C. in that area. Mr. and Mrs. Bruce Nielson were dinner guests of the Haslems and Mathewsons Saturday evening.

The Q. C. club met Saturday night at the home of Mrs. Oscar Goss. The evening was spent playing scrabble and cards. Mrs. Richard Lovely won the ladies door prize and Richard Lovely the men's door prize.

FORD BEATS JET IN TAKE-OFF!

Match a Ford in acceleration with U. S. Marine Corps Fury jet, and the Ford outstrips the jet! That's the story of a race conducted at the Marine Corps Aviation Base, Cherry Point, North Carolina.

From a standstill, a Ford Fairlane Town Sedan and an FJ2 Fury jet (down by a crack Leatherneck pilot) both took off at wide-open throttle. Ford's take-off was so fast that the jet was still trailing at 200 yards.

Though you'll probably never race a jet, it's nice to know Ford's Thunderbird Y-8 engine has so much "oomph" in reserve. Instant response when you push the accelerator. This Thunderbird Y-8 is the standard in all Fairlane and Station Wagon models... at no extra cost!

And Thunderbird styling gift-wraps Thunderbird GO. Ford's long, low lines of leadership are instantly recognizable as Thunderbird-inspired. They give Ford active looks to match its active performance. And further, with styling like the Thunderbird, Ford moves in the finest circles where style really counts.

Ford brings you now Lifeguard Design for extra safety. It protects you against hazards that cause over half of the serious car-accident injuries.

Ford has new Lifeguard door latches with a double grip to give added protection against doors springing open in a crash. Ford also brings you the new deep-center Lifeguard steering wheel which is designed to keep driver away from the steering post in case of accident. The new Lifeguard rear-view mirror "gives" when hit. And you can have optional Lifeguard padding for instrument panel and arm rests and optional Ford seat belts, too. All in all, Lifeguard Design aims to keep you safer in a '56 Ford!

CARD OF THANKS

We wish to extend our heartfelt thanks to our friends and neighbors for the many kindnesses during the recent passing of our mother, Mrs. Anna LaGrow. Your thoughtfulness will always be in our hearts.

The family of Mrs. Anna LaGrow.

Seek United Church Council in Grayling

Claude Halstead, Charles Holcamp and Matt Edson formed a committee of three to meet with all the pastors of the local churches to discuss the possibility of setting up a united council of churches to set one night a week to be designated as church night.

This meeting took place last Thursday night at the Free Methodist church. The purpose of the proposed church night is to find meetings instead of having several different nights, some of which may conflict with local or organizational meetings. All the local churches were represented in person with the exception of St. Mary's and the Calvary-Baptist.

There will be another meeting on January 30th at the Free Methodist church, for the purpose of setting up committees and choosing chairmen.

WHAT WE TEACH AND HOW WE TEACH IT

Pictured above is both ends of the vision testing program. In the photograph to the left, Mrs. Helen Corwin, school nurse, covers one eye of a Grayling school student to test the vision of the other eye. In the photo to the right, a student assists the nurse with the graph with which the eyes of the local students are tested in the mass screening program.

By Helen Corwin

The vision testing program given at Grayling High School recently, has just been completed. The mass screening program is conducted in our schools every two years.

Three hundred and twenty-three were tested. Forty-six were found to have defective vision. In most instances this suggests that the child is in need of glasses or other visual correction. As this is only a screening, in some instances these children are found to have normal vision. In any event the twenty-one who failed the test need a further eye examination by an eye specialist.

Inadequate vision in many instances is a bad handicap to children. The parents of these children will receive a letter suggesting that they take their child to an eye specialist for further examination.

The grades tested were the sixth, ninth and twelfth grades. The child from the first grade is being tested in the future.

The Massachusetts Training Machine used in this Health Department testing at the Lake City District School.

In order to be a qualified operator or tester one must have a training program. We have people in Grayling who are qualified to operate the machine. Mr. Stripe tests the children in other county schools and in the children of the Grayling Public Schools.

In addition, the Massachusetts testing program, Mrs. Corwin gives every child a card test.

Residents In Higher Income Brackets

(Special to the Avalanche)
New York, Jan. 16—Residents of Crawford County have recorded marked gains in income in the past few years, with more families entering the higher brackets and fewer remaining in the lower brackets. Local incomes have been growing faster than population, more than keeping up with the trend toward larger families.

Such are the findings of a comprehensive study of earnings and purchasing power.

Since 1951, when the previous study was made, the proportion of consumer units (families or individuals living alone) with incomes of \$4,000 a year or better has climbed to 32.8 percent in Crawford County, an increase of 18.5 percent in the period.

This progress was more conspicuous than that in most parts of the United States, where only 13.4 percent advanced to the upper brackets. In the State of Michigan the rise was 14.8 percent.

In the income category ranging from \$6,000 up, Crawford County now has 110 consumer units, or 8.8 percent of the total.

The earnings represent spendable income after taxes. They indicate a definite rise in real income, over and above the small drop in the valuation of the dollar.

It has meant an upgrading in living standards among nearly every class except farmers. More families now have extra money for luxuries after taking care of their basic necessities. Their mood in the past year has been to spend it. The result has been a booming business year for local merchants.

More new cars have been bought, more furniture and household equipment and more radios and TV sets. The new order of the day is better food, better clothing and better living generally.

And the prospect ahead is for another good year, with farmers participating to a greater extent aided by the new Government program.

Bond - Stripe Attend Safety Meeting

Supt. Frank Bond and High School Principal Joseph Stripe attended a zone meeting held in the city auditorium, Gaylord, at three o'clock on Tuesday afternoon of last week by the Michigan State Safety Commission. Subjects discussed at the meeting were the new highway speed law, 55 night-65 day, effective February 3rd; the "firmer enforcement policy" announced by Gov. G. Mennen Williams, the new million dollar high school driver education program, the contemplated Traffic Safety Inventory Award Program for Counties and how traffic engineering can help cut accidents, including the new highway speed limit signs.

In connection with the new highway speed law it was pointed out by Captain Earl J. Hathaway, who was in charge of the meeting that the basic speed law is still the same—"safe and reasonable speed under the driving conditions."

In regards to the high school driver education program, \$1.00 from each driver's license issued is to be turned over to the Department of Public Instruction who in turn will reimburse high schools \$25.00 for each student successfully passing the driver training course. It is estimated that the cost of training each student is approximately \$50.00 which leaves the school to also assume a cost of about \$25.00 per student.

School Cancer Contest Set For February

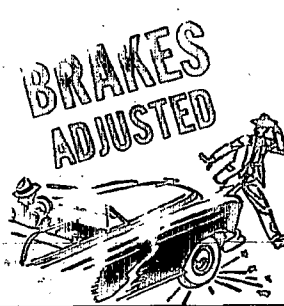

The quiz contest, which will follow the six or eight week course of study comprising the cancer educational program to be presented in the biology and general science classes of Grayling and Frederic schools soon, has been set for February 28 at the Grayling High School, and for February 13 at the Frederic school. The Frederic cancer contest program will be sponsored by the Frederic P. T. A.

Twelve students will be chosen from those taking the tests, which will be given by Mrs. Bernard Sargent of West Branch, 7th District chairman and field representative of the A. C. S. These twelve will take part in a program immediately following the contests.

Dr. B. E. Henig will be one of the speakers at the Grayling and Frederic programs. The film "146,000 Could Live" will be shown as a part of the program.
